

Learning with Findus and Pettson

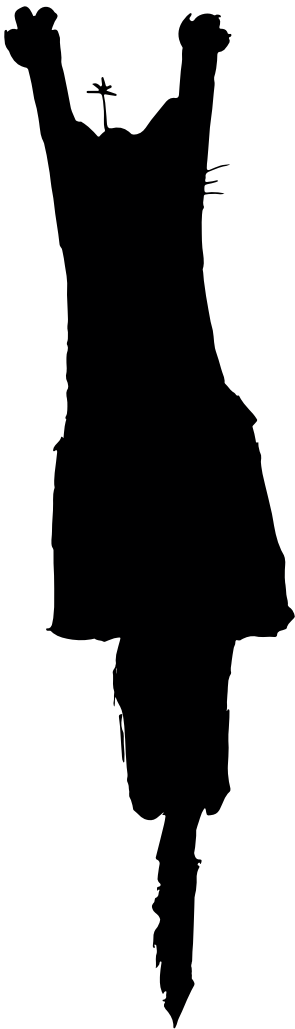

Numbers and Shapes

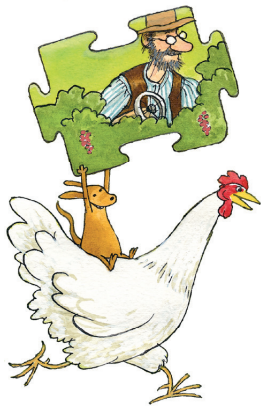

Findus's Shadow

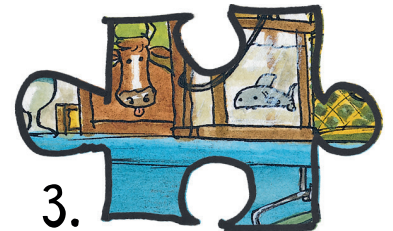

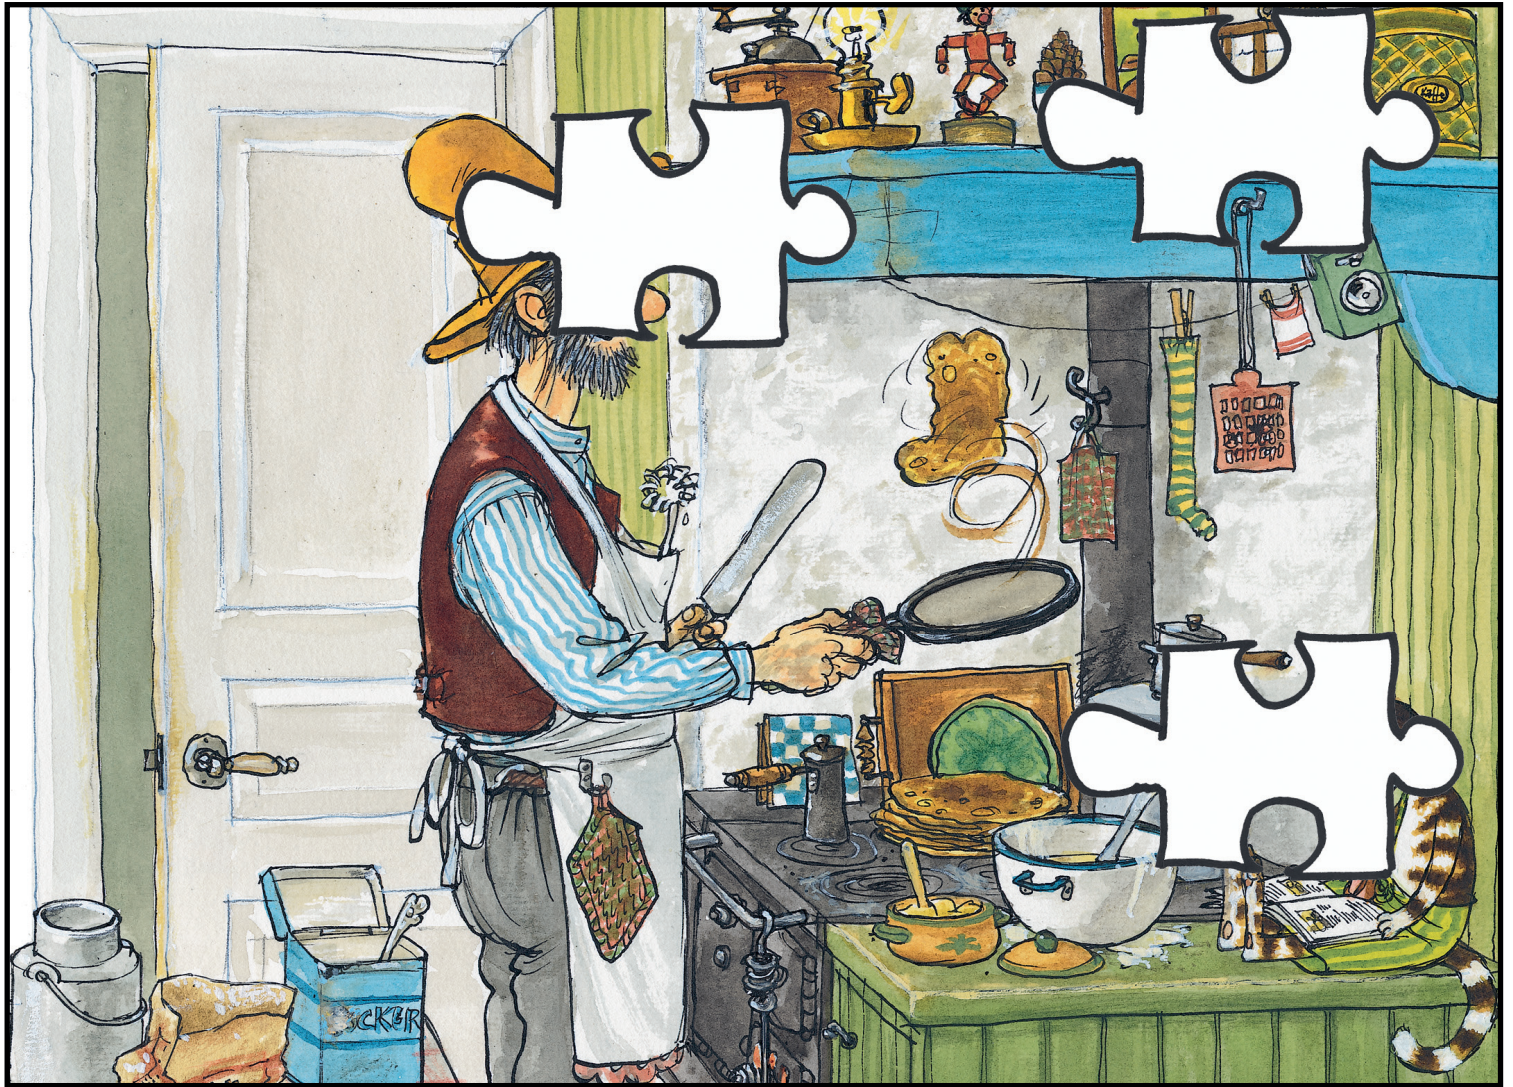

Findus jumps around so much his shadow can't keep up. Can you help by drawing a line between Findus and the right shadow?

Jigsaw Time!

It is nice and cosy in the kitchen, but
what's happened to the picture?
Can you put the pieces in the right place?

How will the Muckle get Home?

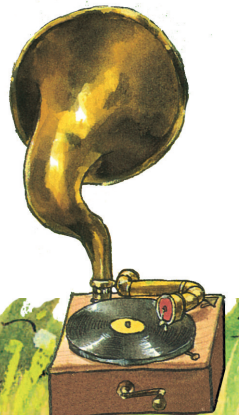

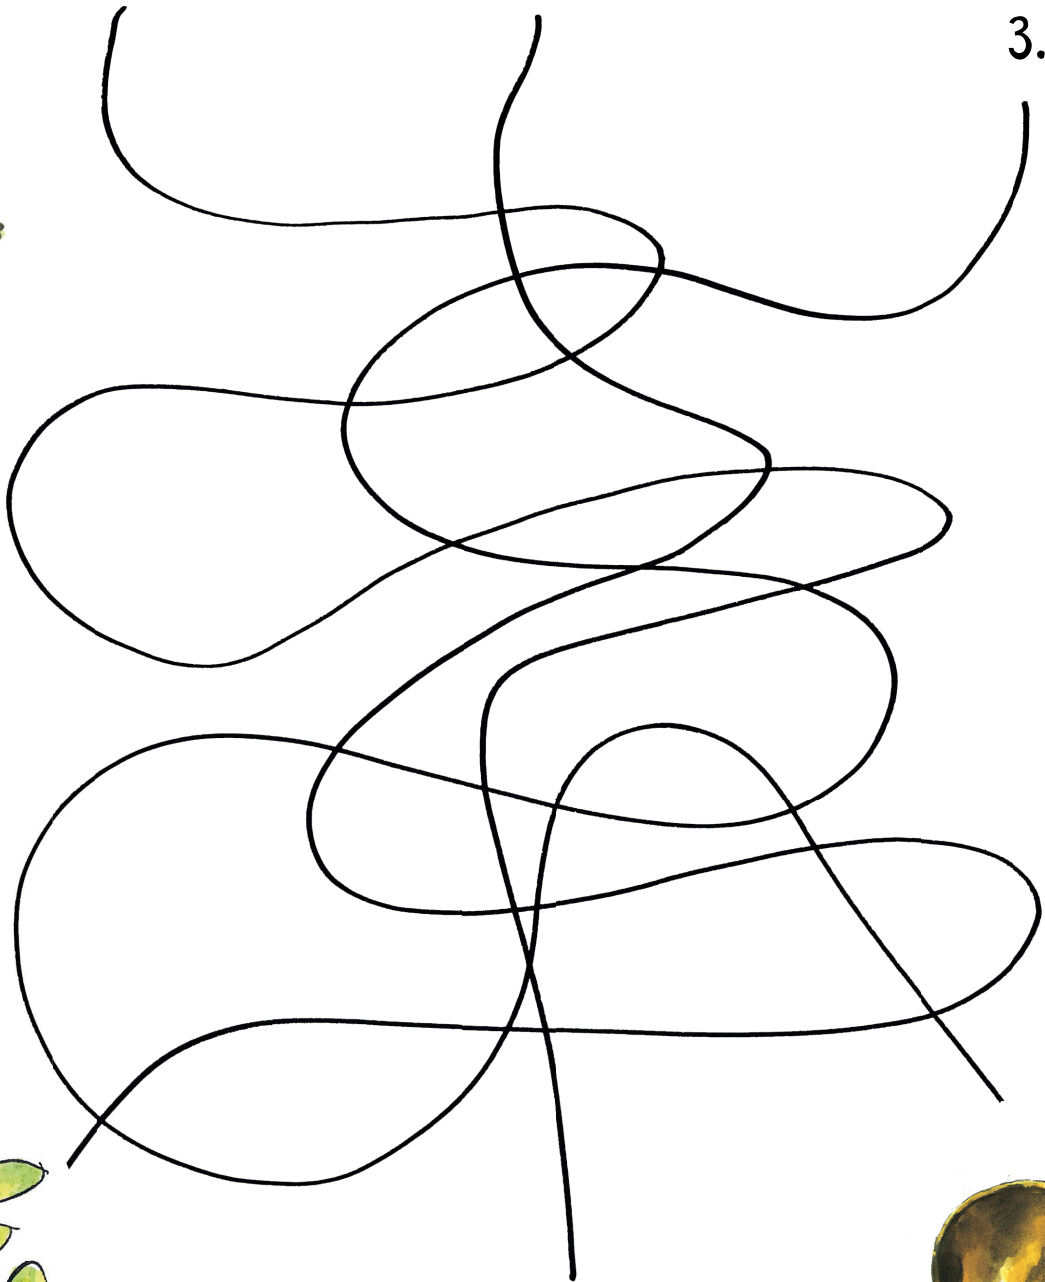

The little muckle is lost and can't find the way home.
Which of the three paths is the right one?

1.

2.

3.

Vegetable Count

It's spring and Findus is busy with his vegetable patch.
How many plants are there in each row?
